June News and Notes

June: Leave a Legacy Month

What will your legacy be?

It doesn't take a lot of money or a huge estate, just some careful thought. Consider your passions - consider your community - how do YOU want to Leave a Legacy?

LEAVE A LEGACY®

Start with #FeelGoodFriday on iCRV radio - every Friday at 9 a.m. On Friday June 9th, Bob Marcinek and Moira Martin explored the topic of how to Leave a Legacy. Head to icrvradio.com/archive, choose "Feeling Good" from the program field drop down menu, and listen to the latest episodes.

Just 5% can make an impact forever. Find out how 5% can be YOUR legacy by visiting our planned giving section of the CFMC website [here](#).

Give us a call at **860.347.0025**, we are happy to answer any questions you may have.

Mourning a Community Champion

One of Middlesex County's true community champions has died.

Buzzy Levin passed away at the age of 90 on June 2, surrounded by his family and friends.

Buzzy was a true pioneer in local sports, founding both the Middletown Little League and spearheading the Interfaith Golf Tournament.

As a businessman and owner of Malloves Jewelers in Middletown, Buzzy was a true believer of all things local.

Fly your Flag Proudly!

Flag Day, celebrated by Americans every year on June 14, is a way to honor the flag and reflect on our freedom.

Honor Flag Day by displaying the American Flag outside your home or business. The 21 days following Flag Day are considered Honor America Days, which leads up to the nation's birthday on July 4.

Spotlight on Kindness!

Bravo Munson's Chocolates!

The third generation family-owned business, based in Bolton, is the recipient of the Community Foundation of Middlesex County's Council of Business Partners "Spotlight Award" for its [Kindness Counts Anti- Bully Chocolate Bar](#).

The award is given to organizations dedicated to CBP's Bully-Free mission.

Celebrating Dads, Father Figures, *Your* Male Role Model

Who comes to mind when you think of that special man?

Maybe he had the patience to teach you how to ride a bike or drive a car - maybe it's someone you looked up to because of their strength, resilience or know-how, or perhaps it's an uncle or a friend.

Consider returning the favor. By making a donation to the [At-Risk Boys Fund](#), you will help boys grow up to be strong, self-confident men who have every chance to succeed. We will gladly send that special man in your life a Father's Day card notifying them that a donation was made in his honor.

Thanks for Coming!

Our thanks to the dozens of our friends, and neighbors for coming to our Open House and Ribbon Cutting on May 24th. We loved seeing

all your smiling faces and appreciate the support in our new location at 49 Main Street.

Be sure to check out the [Photo Gallery](#) to see who we got a snapshot of enjoying the festivities!
