PLEASE READ ALL INSTRUCTIONS BEFORE COMPLETING THE APPLICATION.

Applications will be reviewed, and funding decisions made on a rolling basis, as quickly as possible.

Given the unique nature of current events, grant applications that focus on immediate and basic needs will be the priority at this time.

Getting Started:

- Please read all of the instructions. If you have questions, please contact Thayer Talbott at Thayer@MiddlesexCountyCF.org

- The online application does not require a username and password. The application link is located on the Emergency Grant Application Information page at the bottom. The application does provide a “Save and Continue Later” option; you will be asked for an email address and sent a link to your application form.
  - Due to high volume on all internet service providers and hosts, we strongly encourage you to COPY THE LINK when it appears on your screen before closing the window. This will help should there be a delay in receiving the email that contains the link.

- Once submitted, you will receive an email with the completed application. Again, due to high volume through various internet services, there may be a delay between clicking "submit" and receiving the email containing a copy of your application. Please do not worry; we will be checking the online site frequently for submitted applications.

Application Instructions:

- The application is submitted online via our website.
- Click the Application Button at the bottom of the information page.

TIPS For Completing The Application:

- Complete all fields in the application.
- Grant Request section has a maximum character limit of 5,000 (with spaces):
  - You may not need this much space – and you are not required or expected to use all of it. This is provided for your benefit.
  - Please be specific about the amount you need now.
  - Given the ever-changing nature of current events, organizations will be allowed to submit additional requests as new needs arise during our rolling application period.
  - You can draft your responses in a word document program and copy and paste into the narrative sections.

- “Demographic” and “Geographic Area(s) Served By Program/Project”: Please select only those responses served by the program/project for which you are requesting funding.

Important Information: Grants are awarded to 501(c)(3) not-for-profit organizations, schools, or local town services serving Middlesex County as a whole and/or any of its individual towns.
