What makes our community so special? YOU!

We're thinking of you and wanted to share a smile (or two).
Let's start the week with some joy and some hopefulness.

Laughter is the best medicine.

Watch Jimmy Fallon host the Tonight Show from his home, with the help of his adorable daughters and wife.

"We're all working hard during COVID-19 pandemic to help keep everyone safe. Sometimes the calls for service aren't what you'd expect. This morning our Animal Control and our DPW workers rescued a swan that had gotten trapped in a storm drain on Commerce Street. Happily, he's back on the Indian River paddling in a less confined space."
