Making Each and Every Day Count.

Let's pause to take another moment to say..... **THANKS!**

At CFMC we thought it was important and critical to recognize those who are.....

"Behind the Mask"!

Let's give a shout out to our unsung heroes who fly under the radar, yet keep our communities and our loved ones, humming, healthy and smiling.

Behind the Mask: Volunteers

Volunteers step forward and serve our communities by....

- Delivering face shields and masks to first responders;
- Delivering food to our local food pantries;
- Helping with the distribution of food at our local pantries;
- Supporting the homeless population in our community shelters;
- Delivering meals to senior citizens who otherwise could not go out themselves;
- Planting fresh vegetables in community gardens to ensure healthy eating;
- And, just by saying "what can I do to help?"

Our Volunteers have been incredibly generous in offering to do what they can to meet the needs of our community during these challenging times. Their selfless acts of kindness are making such a huge impact throughout our community.

A Round of Applause for our Volunteers!

***Thank you to the many volunteers
who are making a difference.
You are our heroes.***
