A Round of Applause to All of our Everyday Heroes Supporting Our Community!

We see it every day, a call or a note or an email from someone asking how can I help. When our world came to a halt this spring, we received many special calls asking “How can I help?” We are humbled and honored by the overwhelming generosity of everyone who has reached out with supplies to help us support our essential personnel, first responders, and communities in need.

Ted Rossi and his family, through the generosity of the Rossi Family Foundation Trust, worked with CPMC to bring essential face masks to our most vulnerable families and organizations.

Connecting the dots... the Andy Schatz and Barbara Wolf Foundation joined several anonymous donors to provide face shields to our first responders.

Dear Friends,

The world has certainly changed since the end of 2019. It’s shifted – morphed. 2020 is amazingly different and complex with many uncertainties. In a heartbeat, COVID-19 stopped all of us in our tracks and changed everything in ways none of us could have foreseen. Thankfully YOU remain the constant in your steadfast commitment to our wonderful community and everyone in Middlesex County.

Whether you live “up-county” or “down-county,” you have demonstrated your love of – and concern for – where we live, work, and play. Your amazing “we’re in this together” and “can-do” attitudes have expanded our capacity to do more, give more, and dare we say care more - to support our friends and neighbors and the unique quality of life we treasure.

You have put your hearts and dollars to work to help others through the Community Foundation of Middlesex County. For that we are extremely grateful. YOU have demonstrated that generosity is more than dollars. It’s that phone call to an elderly neighbor or relative, that wave from across six feet, that smile (behind the mask, of course) to a complete stranger that communicates “I’m here for you.”

We know there are many challenges ahead and that we have a great deal of work to do. We also know that by working together the important, critical priorities will get done. At the Community Foundation, we commit to continuing the dialogues that have begun to find meaningful, equitable solutions for our future, so that all of our neighbors will have the chance to realize their full value and potential.

We take pride in turning obstacles into opportunities and with your help, we will make our towns and county even better than they are now. We are “Great People Doing Great Things,” and together, we are moving forward for a brighter future. Thank you for your continued support and partnership.

TOGETHER WE’VE GOT THIS.

Best Regards,

John L. Boccalatte  
Deborah L. Moore  
Cynthia H. Clegg

PS. Our annual Report to the Community is later than we’d like. It also has a slightly different look than in past years. This report contains some of the usual pieces we are honored to share with you – such as our 2019 Financial Statement, the grants approved by our Board of Directors during 2019, our generous supporters and many funds working on your behalf throughout Middlesex County. The Report also includes a 2020 snapshot of what you have made possible during this extraordinary time. You have come together through the Live Local Give Local Emergency Fund and Donor Advised and Field of Interest Funds to support our community in its time of need.

For your unwavering support and trust in working with and through the Community Foundation of Middlesex County, we are most grateful.

Thank You.

Our Community At Work—Thank You to our Board of Directors and Volunteers for Your Work on Behalf of Middlesex County.

Our Board and Committee members are incredible. So many individuals give their time and their talent to the help the Community Foundation and Middlesex County every day. Our Standing Committees, Ad Hoc Committees, Fund Committees, Giving Circles, and many Subcommittees are essential to everything the Community Foundation does in the community.

We offer our heartfelt gratitude to all the volunteers who offer their time and expertise on one (or more!) of the many committees and groups at CFMC.

Making Great Things Possible

CFMC Leadership Circle

Community foundations take time to build. The Foundation is well on its way with its endowed funds and known planned gifts. However, it needs operating support until such time as its capital base can fully support its modest administrative costs.

In 2006, a committed group of Community Foundation supporters initiated a giving circle funded known as the President’s Society to support general operations. These generous donors make contributions of $1,000 or more annually to Operations in support of the work of the Community Foundation. A second Leadership level, the Chairman’s Circle was established with annual gifts to operations of $2,500 or more annually. Recently, in recognition of several long-time CFMC supporters, a third level was established, the Community Benefactor. These generous donors make contributions of $5,000 or more annually to support our work in the community. In a difficult economy this support has allowed the Community Foundation to increase its much needed financial and other (Beyond the Grant) support to local nonprofits.

Creating a Legacy with the Community Foundation

Your planned gift to the Community Foundation of Middlesex County will have meaning and impact for years to come. Those who remember the Community Foundation through a will, trust, designation, or other planned gift types are honored members of the Community Foundation’s Legacy Society. These future gifts may be unrestricted, restricted to a specific geographic area (your home town or area), field of interest (The Arts, Environment, etc.) or to a designated organization. We are deeply grateful to the individuals who have informed us of their intention to include CFMC in their estate planning. Known planned gifts total more than $19.5 million from 96 individuals (as of December 31, 2019). We welcome you to join them!

2019 and 2020 Welcome Five Members to our Board of Directors

At the Community Foundation of Middlesex County we consider ourselves very fortunate not only to have you as our PARTNERS IN PHILANTHROPY, but also to have dynamic leaders who strive for excellence in everything they do.

Our Board of Directors was pleased to welcome Mauricio Salgar of Deep River, Jessica Griffin Scheff of Durham, and Clinton D. Reid of Deep River in 2019. In 2020 Larry McHugh of Middletown and Gary M. Wallace of Middletown joined this dedicated group of community leaders and ambassadors. We are extremely thankful to our newest members, and to all of our Board of Directors, for their knowledge of and passion for our community.

We are humbled and honored by the many contributions of our strong and able staff and our numerous energetic volunteers who add to our ability to “Help Great People Do Great Things.”

“A Round of Applause” to our Board and staff for believing Philanthropy Matters. Philanthropy Works.”

L to R: Mauricio Salgar, Jessica Griffin Scheff, Clinton Reid, Larry McHugh, and Gary Wallace
Grant Making is a Team Effort

Grant making occurs all year long. Your generosity and your passion impact the community with every gift you make. One grant you should know about is our $805,825 awarded by the CFMC Board of Directors to support our community. You, your neighbors, colleagues, and the committed grants committees continued to respond to needs across our local communities through donor advised funds, designated funds, and the competitive grants cycle.

The Community Foundation offers a competitive grant application cycle once a year. Nonprofit organizations may apply in one of several focus areas including:

- Community Enrichment (Arts/Culture/History)
- Community Health (Health/Medical/Hospital Care)
- Economic Security/Economic Opportunity
- Economic Development
- Education (Community Wide/Schools)
- Environment
- Public / Social Benefit (Civic Improvement/ Social Service)
- Recreation
- Programs addressing animal welfare and services and animal/human services
- Programs serving women and girls
- Programs serving at-risk boys and young men

Grant applications are reviewed by eight (8) committees made up of diverse volunteers who care about our community. Grants are awarded to organizations that provide projects and help individuals build better lives; foster cooperative approaches to community issues; serve as a catalyst for attracting other resources; and build and strengthen the infrastructure within an organization to help it better meet its mission.

In short, we look for organizations that make a difference every day in our community. Together we are addressing issues important to our community, creating opportunities to bring young and old together, and discovering new ways to make our region the best place to live, work, and play. In the following pages, you will see how your donations and fund holders made a tremendous impact in Middlesex County.

GRANTS ADDRESS ISSUES – SEE PROGRAMS – SUPPORT OUR COMMUNITIES

2019-2020 Competitive Grant Awards

Total Awarded: $288,280.00

2020 Pandemic Update: CFMC was honored to work with our nonprofit grantees to identify how awarded funds could be adapted, redirected, or unrestricted to meet organizations’ needs as they transitioned to virtually and socially distanced operations and programs. All organizations were offered the opportunity to submit updates and requests for change-of-use of approved grants to meet the needs within their organizations due to COVID-19. We are proud to report that none of the organizations approved during the competitive process had to return their grant awards.

Raising Awareness Through Community Partnerships

As you stroll along Harbor Park in Middletown, you will see a new addition—a purple Buddy Bench. Community Partnerships are at the core of all CFMC does, connecting the dots among organizations, individuals, and businesses to raise awareness and make a positive impact in Middlesex County. Just such a “connecting the dots” opportunity arose through the Big Thinkers Group, a community partnership focused on community outreach projects.

Gary Wallace, CFMC Board member and Community Health Center Director of Community Engagement & Relations was familiar with the CFMC Council of Business Partners Buddy Bench project through the Campaign for Bully-Free Communities. When approached by Officer Andrews Brooks of the Middletown Police Department with the idea of placing a bench in recognition of victims of domestic violence during National Domestic Violence Awareness month, Gary knew just how to help connect the dots!

Staff members of CFMC, Middletown Police Department, and Community Health Center joined clients at the Rushford Academy to paint a special bench for the presentation and the bench was unveiled with guests from throughout the community, including Mayor Ben Florsheim, Senator Matt Lesser, Representative Qri Phipps, and David Director, Marc Levin, Riz Rizzo, and Liz Shulman of the CFMC Council of Business Partners.

The dedication plaque expresses our community’s commitment to End the Silence:

Given in Recognition of Victims of Domestic Violence. End The Silence.

Donated by the Community Foundation County’s Council of Business Partners Fund, in partnership with Rushford Academy, Community Health Center New Horizons Domestic Violence Shelter, and the Middletown Police Department
I WANT TO BE INVOLVED – TO MAKE AN IMPACT AND LEARN ABOUT MY COMMUNITY’S NEEDS.

DONOR ADVISED FUNDS

Donor Advised Funds allow individuals, families, and businesses understand the needs of the community and invest in areas they care deeply about. Donor Advised Fund holders recommend where the Funds dollars might do the most good, year in and year out. They are active philanthropists and investors in the future of our community.

Supporting Our Community
In A Time Of Great Need

We are humbled by the many individuals, groups, and businesses who stepped forward during the COVID-19 Pandemic to provide masks for essential workers, emergency responders, nonprofit organizations, and individuals in need.

We extend a heartfelt Thank You to the Rossi Family Foundation Trust for the cases and cases of masks they provided to our nonprofits in partnership with the Community Foundation of Middlesex County. We are greatly appreciative of the many individuals and groups, such as the Best Cleaners, Angels of Nick Ramcke Fund volunteers, and Goodspeed Opera House Costume Department who supplied us with hand-made masks for distribution.

Thank YOU for being “Good People Doing Great Things” in Middlesex County!
Live Local Give Local Emergency Fund

What’s the most exciting thing about Middlesex County?

In times of need—of great need—you reach out and ask “How Can I Help?”

These are “interesting” times, indeed, and our nonprofits whose work put them on the frontlines to meet the most critical needs of our neighbors, needed our help. You joined together and put your hearts and dollars to work for the benefit of all in Middlesex County.

We know that when friends and neighbors join together to help each other, we will succeed. You proved this when you supported the Live Local Give Local Emergency Fund to help our local nonprofits this year.

We are extremely grateful to Guilford Savings Bank and Pratt & Whitney for leading the charge to ensure our nonprofit organizations and essential personnel had the tools and resources to meet the ever-changing issues of the COVID-19 pandemic. So many stepped forward to answer the call—Thank You!

Thank You to everyone who stepped forward to support our community in its time of need ...

Your Actions Today – Your Visions for Tomorrow – Building a Legacy of Generosity

You, our donors, are transforming Middlesex County. You have different passions, different perspectives, and different reasons for giving. Yet together, you have one thing in common – the desire to make a positive impact on the quality of life in Middlesex County. Working through the Community Foundation of Middlesex County, you are changing lives and ensuring Middlesex County continues to be a great place to live, work, and play.

Whether you choose to start a fund or to make a gift to an existing fund, you are creating a positive force and making a meaningful impact on the lives of your neighbors through nonprofit organizations serving fifteen towns through their programs.

In 2019, sixteen (16) funds were established by individuals, groups, and organizations, and as of August 31, 2020, another eight (8) funds have been established, all with one purpose in mind—ensuring our community thrives now and forever.

The following pages contain the funds established by individuals and business through the years who are just like you—everyday philanthropists who chose to work through the Community Foundation to make good things happen, thus joining the legacy of many generous neighbors helping neighbors in Middlesex County.

These funds allow the Board and staff to identify compelling community needs through the competitive grant making process and to determine the best use of your investment to address them. Currently the competitive application process includes the following focus areas: animal/human welfare services, arts and culture, education, environment, community health, public benefit and social services, women and girls, and at-risk boys and young men.

“I Want To Help Make Great Things Happen In Middlesex County.” Unrestricted funds allow donors to think broadly about their impact

These Funds allow the Board and staff to identify compelling community needs through the competitive grant making process and to determine the best use of your investment to address them. Currently the competitive application process includes the following focus areas: animal/human welfare services, arts and culture, education, environment, community health, public benefit and social services, women and girls, and at-risk boys and young men.

Just look at what you have made possible:

- You supported daily childcare programs for children of essential personnel and first responders at YMCA of Northern Middlesex County and Kids of Chatham Organization.
- You provided supplies and Personal Protection Equipment (PPE) for not only our first responders and essential workers, but also for health and human service organizations such as the Coalition on Housing and Homelessness, Columbus House, Gilead Community Services, and MARC Community Resources.
- You met the soaring demand to provide meals for seniors with Meals on Wheels through the Estuary Council of Seniors.
- You also provided food and supplies for your neighbors and friends through the Shoreline Soup Kitchens and Pantries, Tri-Town Youth Services in Chester, Deep River and Essex, the Town of Durham Neighbors in Need, HK Backpack Program, and St. Vincent dePaul Place and Amazing Grace Food Pantry.
- You purchased tablets to support youth education virtual programming for neuro-diverse students at Futures, Inc. and virtual programming and support services for clients of Vista Life Innovations.
- You helped provide underserved communities with wellness packages offering information on disease prevention and wellness that have been distributed throughout the Community through Cross Street Training & Academic Center and Bare Necessities.
- You helped women and families on the shoreline access essential counseling and support services during the shelter in place order through referral programs at the Women & Family Life Center.

And, so much more. Others joined you in making a difference in our community. Thanks to a generous Donor Advised Fund at CFMC, we helped launch weekend “grab and go” meals for students and their families and partnered to provide fresh greens each week through the Middletown Public School meal sites.

Thank you is not sufficient — but THANK YOU!

Sharing the Fun ... Sharing Your Favorite Nonprofits! (even in stressful times)

Thank you so much for making our virtual “Pop Up Grant” initiative a great success!
We believe every gift, no matter the size, makes an impact in our community. If you have ever joined us at one of our gatherings, you know we find many ways to say Thank You, including our “Pop Up Grant” awards.
You made our celebration of local nonprofits a great success — and submitted an incredible variety of organizations doing great things in Middlesex County.
Throughout the summer we asked ... What is YOUR favorite nonprofit and why? Each time you nominated a nonprofit, we dropped the name in a basket, and every two weeks we drew a name out ... for a video call and a Pop-Up Grant Award!
You didn’t disappoint! We received 287 nominations for 79 nonprofits!

Congratulations to our Virtual Pop-Up Grant Recipients — and Thank You to all their fans who nominated them!

Going the Distance Beyond the Grant

CFMC Nonprofit Resource Center
We understand that nonprofits often need more than a grant to accomplish their missions. Nonprofit organizations need access to knowledge: resources, experts and leaders in governance, financial management, marketing and communications, and development. CFMC’s Nonprofit Resource Center brings leaders and experts to the table to work with our local organizations. These experts offer their time and knowledge at our Morning Musings workshops and our Nonprofit Networking series.
We are grateful for the tremendous support Guilford Savings Bank provides in bringing nationally-recognized speakers to our area to work with boards of directors, volunteers, and staff on important governance and development topics. We are pleased to work with local knowledge experts who provide access to resources, advice, guidance, and essential professional development opportunities. Tom Gezo (a.k.a. “The Doctor is In”) provides free, one-on-one advisory services to local nonprofits on a broad array of topics, including board development, fundraising, organizational management, and strategic planning. Harvest Development Group is an integral part of the resource team developing workshops concepts and executive leadership learning opportunities on a wide range of professional development topics to help nonprofit organizations strategically grow their resources and serve their communities.

With the onset of the COVID-19 Pandemic, CFMC has worked with our nonprofit partners to better understand and address the issues and needs they see in the community. We have found new “virtual” ways to reach out to partners and individuals and continue important conversations, including:

- Offered a nonprofit survey, developed by Tom Gezo, to identify issues and needs in our communities related to the COVID-19 Pandemic;
- Facilitated virtual listening forums to share ideas and learn from our nonprofit community;
- Assisted members of the Middletown Police Department (MPD), St. Vincent de Paul, Middlesex United Way, Middlesex Community College, and Community Health Center launch a “Big Thinkers” group to discuss community outreach initiatives for MPD;
- Participated in a variety of coalitions and working groups throughout Middlesex County addressing a wide array of community needs, including employment opportunities and access to basic needs.

We appreciate our nonprofits ... and look forward to getting together (all in one room) once again in the near future. A big thumbs up to the many nonprofit staff and volunteers who have joined us over the years at our many workshops and listening forums!

Supporting Our Community In A Time Of Great Need

We are humbled by the many individuals, groups, and businesses who stepped forward during the COVID-19 Pandemic to provide masks for essential workers, emergency responders, non-profit organizations, and individuals in need. We extend a heartfelt Thank You to the Rossi Family Foundation Trust for the cases and cases of masks they provided to our nonprofits in partnership with the Community Foundation of Middlesex County. We are greatly appreciative of the many individuals and groups, such as the Best Cleaners, Angels of Nick Ramcke Fund volunteers, and Goodspeed Opera House Costume Department who supplied us with hand-made masks for distribution.

Thank YOU for being “Good People Doing Great Things” in Middlesex County!

Raising Awareness Through Community Partnerships

As you stroll along Harbor Park in Middletown, you will see a new addition—a purple Buddy Bench. Community Partnerships are at the core of all CFMC does, connecting the dots among organizations, individuals, and businesses to raise awareness and make a positive impact in Middlesex County. Just such a “connecting the dots” opportunity arose through the Big Thinkers Group, a community partnership focused on community outreach projects.

Gary Wallace, CFMC Board member and Community Health Center Director of Community Engagement & Relations was familiar with the CFMC Council of Business Partners Buddy Bench project through the Campaign for Bully-Free Communities. When approached by Officer Andrews Brooks of the Middletown Police Department with the idea of placing a bench in recognition of victims of domestic violence during National Domestic Violence Awareness month, Gary knew just how to help connect the dots!

Staff members of CFMC, Middletown Police Department, and Community Health Center joined clients at the Rushford Academy to paint a special bench for the presentation and the bench was unveiled with guests from throughout the community, including Mayor Ben Florsheim, Senator Matt Lesser, Representative Q Phipps, and David Director, Marc Levin, Riz Rizzo, and Liz Shulman of the CFMC Council of Business Partners.

The dedication plaque expresses our community’s commitment to End the Silence:

Given in Recognition of Victims of Domestic Violence. End The Silence.

Donated by the Community Foundation County’s Council of Business Partners Fund, in partnership with Rushford Academy, Community Health Center New Horizons Domestic Violence shelter, and the Middletown Police Department

Grant Making is a Team Effort

Grant making occurs all year long. Your generosity and your passion impact the community with every gift you give and every gift you recommend. In FY2019, thanks to your grants totaling $805,825 were awarded by the CFMC Board of Directors to support our community. You, your neighbors, colleagues, and the committed grants committees continued to respond to needs across our local communities through donor advised funds, designated funds, and the competitive grants cycle.

The Community Foundation offers a competitive grant application cycle once a year. Nonprofit organizations may apply in one of several focus areas including:

- Community Enrichment (Arts/Culture/History)
- Community Health (Health/Medical/Hospital Care)
- Economic Security/Economic Opportunity
- Economic Development
- Education (Community Wide/Schools)
- Environment
- Public/Social Benefit (Civic Improvement/ Social Service)
- Recreation
- Programs addressing animal welfare and services and animal/human services
- Programs serving women and girls
- Programs serving at-risk boys and young men

Grant applications are reviewed by eight (8) committees made up of diverse volunteers who care about our community. Grants are awarded to organizations that provide projects and programs to help individuals build better lives; foster cooperative approaches to community issues; serve as a catalyst for attracting other resources; and build and strengthen the infrastructure within an organization to help it better meet its mission.

In short, we look for organizations that make a difference every day in our community.

Together we are addressing issues important to our community, creating opportunities to bring young and old together, and discovering new ways to make our region the best place to live, work, and play. In the following pages, you will see how you – our donors and fund holders – made a tremendous impact in Middlesex County.

GRANTS ADDRESS ISSUES – SEED PROGRAMS – SUPPORT OUR COMMUNITIES

2019-2020 Competitive Grant Awards Total Awarded: $288,280.00

2020 Pandemic Update: CFMC was honored to work with our nonprofit grantees to identify how awarded funds could be adapted, redirected, or unrestricted to meet organizations’ needs as they transitioned to virtually and socially distanced operations and programs. All organizations were offered the opportunity to submit updates and requests for change-of-use of approved grants to meet the needs within their organizations due to COVID-19. We are proud to report that none of the organizations approved during the competitive process had to return their grant awards.

Creating a Legacy with the Community Foundation

Your planned gift to the Community Foundation of Middlesex County will have meaning and impact for years to come. Those who remember the Community Foundation through a will, trust, designation, or other planned gift types are honored members of the Community Foundation’s Legacy Society. These future gifts may be unrestricted, restricted to a specific geographic area (your home town or area), field of interest (The Arts, Environment, etc.) or to a designated organization. We are deeply grateful to the individuals who have informed us of their intention to include CFMC in their estate planning. Known planned gifts total more than $19.5 million from 96 individuals (as of December 31, 2019). We welcome you to join us!

2019 and 2020 Welcome Five Members to our Board of Directors

At the Community Foundation of Middlesex County we consider ourselves very fortunate not only to have you as our PARTNERS IN PHILANTHROPY, but also to have dynamic leaders who strive for excellence in everything they do.

Our Board of Directors was pleased to welcome Mauricio Salgar of Deep River, Jessica Griffin Scheff of Durham, and Clinton D. Reid of Deep River in 2019. In 2020 Larry McHugh of Middletown and Gary M. Wallace of Middletown joined this dedicated group of community leaders and ambassadors. We are extremely thankful to our newest members, and to all of our Board of Directors, for their knowledge of and passion for our community.

We are humbled and honored by the many contributions of our strong and able staff and our numerous energetic volunteers who add to our ability to “Help Great People Do Great Things.”

Making Great Things Possible
CFMC Leadership Circle

Community foundations take time to build. The Foundation is well on its way with its endowed funds and known planned gifts. However, it needs operating support until such time as its capital base can fully support its modest administrative costs.

In 2006, a committed group of Community Foundation supporters initiated a giving circle fund called the President’s Society to support general operations. These generous donors make contributions of $1,000 or more annually to Operations in support of the work of the Community Foundation. A second Leadership level, the Chairman’s Circle, was established with annual gifts to operations of $2,500 or more annually. Recently, in recognition of several long-time CFMC supporters, a third level was established, the Community Benefactor. These generous donors make contributions of $5,000 or more annually to support our work in the community. In a difficult economy this support has allowed the Community Foundation to increase its much needed financial and other (the Grant) support to local nonprofits.

Thank You For All You Do!

We have a motto at CFMC... you are always a member of the CFMC family with a special "CFMC" tattoo on your heart!

It is always difficult when a board member’s term comes to an end. We extend a huge THANK YOU to four individuals who reached the end of their Board of Directors terms in 2019... yet continue to serve Middlesex County in so many ways!

David Director of Cromwell, Nancy Fischbach of Deep River, James Gomes of Cheshire, and Gary Salva of Middlefield have each provided exceptional knowledge and expertise to CFMC during their terms on the Board of Directors. They follow so many other incredible individuals, and we are grateful for their continued committee participation and leadership.

We are honored and humbled by their ongoing commitment to Middlesex County. We thank them for working to ensure a brighter future and better tomorrow for all of us.

Our Community At Work—Thank You to our Board of Directors and Volunteers for Your Work on Behalf of Middlesex County.

Our Board and Committee members are incredible. So many individuals give their time and their talent to the help the Community Foundation and Middlesex County every day. Our Standing Committees, Ad Hoc Committees, Fund Committees, Giving Circles, and many Subcommittees are essential to everything the Community Foundation does in the community.

We offer our heartfelt gratitude to all the volunteers who offer their time and expertise on one (or more!) of the many committees and groups at CFMC.

Dear Friends,
The world has certainly changed since the end of 2019. It’s shifted – morphed. 2020 is amazingly different and complex with many uncertainties. In a heartbeat, COVID-19 stopped all of us in our tracks and changed everything in ways none of us could have foreseen. Thankfully YOU remain the constant in your steadfast commitment to our wonderful community and everyone in Middlesex County.

Whether you live “up-county” or “down-county,” you have demonstrated your love of – and concern for – where we live, work, and play. Your amazing “we’re in this together” and “can-do” attitudes have expanded our capacity to do more, give more, and - dare we say care more - to support our friends and neighbors and the unique quality of life we treasure.

You have put your hearts and dollars to work to help others through the Community Foundation of Middlesex County. For that we are extremely grateful. YOU have demonstrated that generosity is more than dollars. It’s that phone call to an elderly neighbor or relative, that wave from across six feet, that smile (behind the mask, of course) to a complete stranger that communicates “I’m here for you.”

We know there are many challenges ahead and that we have a great deal of work to do. We also know that by working together the important, critical priorities will get done. At the Community Foundation, we commit to continuing the dialogue that has begun to find meaningful, equitable solutions for our future, so that all of our neighbors will have the chance to realize their full value and potential.

We take pride in turning obstacles into opportunities and with your help, we will make our towns and county even better than they are now. We are “Great People Doing Great Things,” and together, we are moving forward for a brighter future. Thank you for your continued support and partnership.

TOGETHER WE’VE GOT THIS.

Best Regards,

John L. Boccalatte
Deborah L. Moore
Cynthia H. Clegg

PS. Our annual Report to the Community is later than we’d like. It also has a slightly different look than in past years. This report contains some of the usual pieces we are honored to share with you – such as our 2019 Financial Statement, the grants approved by our Board of Directors during 2019, our generous supporters and many Funds working on your behalf throughout Middlesex County. The Report also includes a 2020 snapshot of what you have made possible during this extraordinary time. You have come together through the Live Local Give Local Emergency Fund and Donor Advised and Field of Interest Funds to support our community in its time of need.

For your unwavering support and trust in working with and through the Community Foundation of Middlesex County, we are most grateful.

Thank You.

A Round of Applause to All of our Everyday Heroes Supporting Our Community!

We see it every day, a call or a note or an email from someone asking how can I help. When our world came to a halt this spring, we received many special calls asking “How can I help?” We are humbled and honored by the overwhelming generosity of everyone who has reached out with supplies to help us support our essential personnel, first responders, and communities in need.

Ted Rossi and his family, through the generosity of the Rossi Family Foundation Trust, worked with CPMC to bring essential face masks to our most vulnerable families and organizations. Connecting the dots...the Andy Schatz and Barbara Wolf Foundation joined several anonymous donors to provide face shields to our first responders.
