June News & Notes

What a month it was! From one big vision becoming a reality to the unveiling of the new CFMC website to a new face at 49 Main Street and a few "Save the Dates" you don't want to miss. Read on to get caught up on all that happened at CFMC in June. (Where did the month go?!)

The Goodwins' Vision Realized

The Nature Conservancy Connecticut

Three years ago, The Nature Conservancy (TNC) in CT and CFMC came together to ensure the realization of the late Dr. Richard Goodwin's, co-founder of TNC and land preservationist, and his spouse Esther's vision for Burnham Brook Preserve.

Their vision? To expand access to Burnham Brook Preserve as well as conservation initiatives and experiences in the Preserve region.

Brand New CFMC Website Unveiled

We are thrilled to unveil the newly designed CFMC website and are humbled by the support for this project. **THANK YOU** to **Liberty Bank Foundation** for providing a grant that helped make the enhancement work possible. Thank you, too, to our design team at **(a)squaredstudio** for going above and beyond! We are grateful to both organizations for their support - and for making CFMC look good!

We hope you enjoy it! **CLICK HERE** to read more about the project and view our new website.

CFMC Welcomes Lilly Person

Lilly has joined our team for the summer and we could not be happier to have her on board! In fact, we've asked if she can take her courses online at 49 Main Street, Middletown. (We wish she could!)
