We Salute YOU!

YOU are all remarkable!

YOU change the world with a giving heart.

YOU make an impact each and every day.

YOU prove that Philanthropy Matters and Philanthropy Works.

As we celebrate National Community Foundation Week and National Philanthropy Day, we thank YOU and all the ways YOU help make our community so amazing.

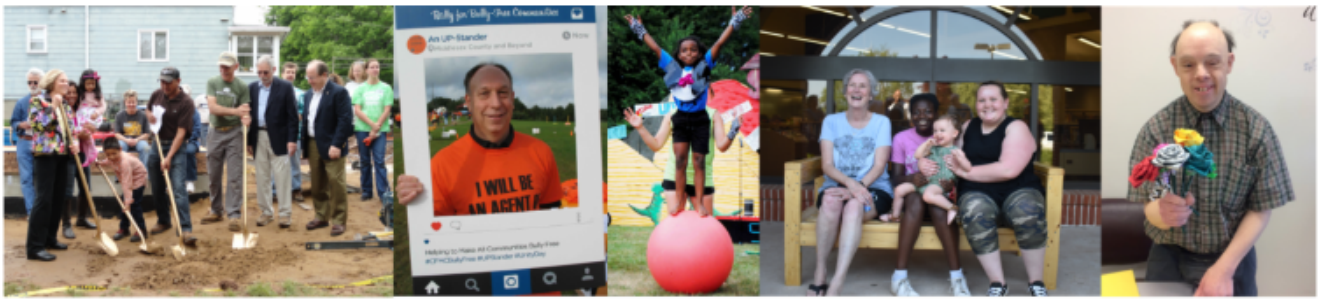
Celebrating YOU this National Philanthropy Day (November 15th)

Let's pause and celebrate the charitable work that YOU do to make a difference in the lives of everyone, not just in Middlesex County, but in the world!

Donors and Volunteers,

- **YOU** make a difference - now - and for generations to come.
- **YOU**, through your Community Foundation, have **invested more than $13.9 million** in grants and scholarships since 1997 (as of October 31, 2024).
- **Because of you**, CFMC will continue to be a community leader residents have come to trust and rely on.

**Anyone can positively impact their community,
no matter their age or the size of their gift.**



It's National Community Foundation Week

We see your kindness each and every day! To everyone who puts their hearts and dollars to work for the benefit of our community through your community foundation,

THANK YOU for

- Helping our local nonprofits meet the needs of our most vulnerable residents
- Volunteering your time with your favorite nonprofit
- Your "can-do" attitude, your compassion, and partnerships
- Your many acts of kindness and generosity

YOU make our Community Foundation special.

See the difference you make here.

YOU ARE CFMC

The Community Foundation of Middlesex County was founded in 1997 by individuals and businesses who came together with a sense of dedication to and a vision for Middlesex County's future. We didn't begin with one large bequest, but instead, it was a grassroots effort with multiple donations from countless caring donors like you.

Thanks to your generosity and commitment, as of October 31, 2024, CFMC has invested $13.9 million in grants and scholarships in our community.

THANK YOU for making that happen!
